The item codes next to each pattern are for the aperture card to fit.

Aperture cards, iris folding papers and a huge range of aperture panels is available from BGPayne Crafts at <http://www.bgpayne.com>.

We also stock a massive range of over 17,000 craft products all at the lowest possible prices without any compromise on quality.

Please feel free to use these patterns to make cards and other crafts for sale or personal use. You are welcome to copy this page as many times as you wish as long as this section of text is included.
